Summary of Services:

We offer dynamic workshops on Hinduism to support RE teachers with both workshops for students (Foundation Stage up to A-Level, including special needs) and INSET for teachers. For your convenience, we bring the Hindu Mandir to your school. Activities include, but are not limited to, dressing up for all participants, face and hand painting, dancing the dandiya rasa dance to music, and, for Key Stage 2 and up, discussion of key philosophical concepts pitched to the age of the audience.
